

COLLECTION VIRTUAL ACCOUNT SERVICES SCHEDULE**1. APPLICATION**

- 1.1 This document constitutes a Service Schedule and must be read together with the Master Services Terms and Conditions and/or Master Services Agreement (as the case maybe), the Definitions Schedule and other Relevant Agreements.
- 1.2 Provisions in this Service Schedule is applicable to Virtual Account Services.

2. VIRTUAL ACCOUNT SERVICES - GENERAL

Virtual Accounts are non-physical accounts which used by clients to optimise collection and reconciliation processes.

Collection Virtual Account serves to improve and assist customers' collections and receivables, hence the Virtual Account does not entail any profit and dormancy features.

Customer is able to define the number of VAs to be created and the VA account name. With the VA management services, Customer is able to manage and track the receivables from their assignees in a more effective and efficient manner.

- 2.1 This schedule refers to the usage and operational terms for Virtual Account (VA) in AmBank Islamic.

3. DEFINITIONS

"Assignee" means the person or entity that Customer intent to assign with the Virtual Account Number. Each assignee supposed to be assigned with a minimum one (1) Virtual Account Number for a specific purpose. It is under Customer's discretion to assign the Virtual Account Number.

"Collection" means for any deposit received which is paid by assignees/payers.

"Deposit" means funds credited into VA or operating current account by cash or electronic transfer (inclusive via Self Service Terminals (SSTs)).

"Dual Layer" means a set of sub-Virtual Account which tied to a group of Virtual Account, prior to sweeping into Customer's Main Account.

"EOD" means an acronym for 'End-Of-Day'. During EOD, AmBank Islamic's system will perform a sweeping function that will automate transfer fund from account to a destination account.

"Main Account" means an operating account that Customer designates for all Virtual Accounts to be tied with. All available balances in VA will be transferred into Main Account by sweeping function, depending on the sweeping mode selected either online or EOD.

"Self Service Terminals" refers to Automated Teller Machine, Cash Deposit Machine and Cash Recycler Machine.

"Single Layer" means a set of Virtual Account which has a direct linkage to the Customer Main Account.

"Sweeping" means an automated fund transfer from Virtual Account into Customer's Main Account (one way up) based on the agreed sweeping mode.

"Virtual Account ("VA") Number" is an account number that is auto generated by AmBank Islamic for Customer to assign to Customer's assignee. The VA number will be created under the same Main Account's Customer Information File ("CIF").

"Withdrawal" means any withdrawal or transfer made by Customer or on Customer's behalf from an Account.

4. SWEEPING SERVICES

- 4.1 Sweeping means an automated fund transfer of any available balance in Virtual Account to Customer's dedicated account. The sweeping will be executed based on the sweeping mode agreed by Customer upon requesting Virtual Account services.
- 4.2 For Single Layer, fund in 1st tier Virtual Account will be swept up into Customer Main Account.
- 4.3 For Dual Layer, fund from 2nd tier Virtual Account will be swept up into 1st tier of Virtual Account via Online Sweep mode. The fund in 1st tier of Virtual Account will be swept up into Customer Main Account via batch EOD.
- 4.4 There are two (2) sweeping modes. The modes are as below:
 - i. Online;
 - ii. End-of-Day Batch (EOD) – applicable for dual layer.

5. DEPOSITS

- 5.1 Deposits allowed into Virtual Account are as follows:

AmBank/AmBank Islamic Channels:
