### To our Shareholders

Dear Sir/Madam,

## STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF THE AUTHORITY FOR AMMB HOLDINGS BERHAD TO PURCHASE UP TO 3% OF ITS TOTAL NUMBER OF ISSUED SHARES ("PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY")

---

### 1. INTRODUCTION

On 25 June 2025, the Company announced its intention to seek the approval of its shareholders for the Proposed Renewal of Share Buy-Back Authority at the 34<sup>th</sup> AGM of the Company.

The purpose of this Statement is to provide you with the relevant information on the Proposed Renewal of Share Buy-Back Authority as well as to set out the recommendation of our Board and to seek your approval for the resolution to be tabled at the 34<sup>th</sup> AGM of the Company to be held on 20 August 2025. The extract of the Notice of the 34<sup>th</sup> AGM that relates to the Proposed Renewal of Share Buy-Back Authority is set out in Appendix I.

**YOU ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY.**

## **2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

We are proposing to seek your approval for the renewal of the authority for our Company to purchase Shares of up to 3% of the total number of issued Shares at any point in time, subject to compliance with Section 127 of the Act, Chapter 12 of the Listing Requirements, the Code and any Prevailing Laws at the time of purchase(s).

The maximum aggregate number of Shares which may be purchased by our Company shall not exceed 3% of the total number of issued Shares at any point in time.

As at the LPD, our total number of issued shares stood at 3,314,184,844 Shares. Hence, subject to your approval, we may purchase up to 99,425,545 Shares (inclusive of 13,318,700 Shares that have been purchased and retained as treasury shares) pursuant to the Proposed Renewal of Share Buy-Back Authority, representing 3% as at the LPD of the total number of issued Shares.

The purchase of Shares under the Proposed Renewal of Share Buy-Back Authority will be carried out through Bursa Malaysia via stockbroker(s) appointed by our Board.

Your authority for the Proposed Renewal of Share Buy-Back Authority, if renewed, will be effective upon the passing of the ordinary resolution for the Proposed Renewal of Share Buy-Back Authority at our forthcoming AGM to be convened until:

- (a) the conclusion of our 35<sup>th</sup> AGM, at which time the authority shall lapse unless by ordinary resolution passed at the 35<sup>th</sup> AGM, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the 35<sup>th</sup> AGM is required by law to be held; or
- (c) the authority is revoked or varied by an ordinary resolution passed by you at a general meeting,

whichever is the earliest but not as to prejudice the completion of purchase by the Company before the aforesaid expiry date and, in any event, in accordance with the provisions of the Act, the rules and regulations made pursuant thereto and the Listing Requirements and/or any other authorities..

Your approval for the Proposed Renewal of Share Buy-Back Authority does not impose an obligation on our Company to purchase our Shares. However, it will allow our Board to exercise the power to purchase our Shares at any time within the abovementioned time period.

### **2.1 Source of funds**

Paragraph 12.10(1) of the Listing Requirements stipulates that the Proposed Renewal of Share Buy-Back Authority must be made wholly out of the retained profits of our Company. We intend to use internally generated funds to finance the Proposed Renewal of Share Buy-Back Authority subject to compliance with Section 127 of the Act and any Prevailing Laws at the time of the purchase. Notwithstanding this, in the event the Proposed Renewal of Share Buy-Back Authority (or any part of it) is to be financed through external borrowings, our Board will ensure that we have sufficient funds to repay such external borrowings.

The Proposed Renewal of Share Buy-Back Authority is not expected to have a material impact on the cashflow position of our Company. In addition, our Board will ensure that our Company satisfies the solvency test as stated in Section 112(2) of the Act before implementing the Proposed Renewal of Share Buy-Back Authority.

Based on our latest audited consolidated financial statements for the financial year ended 31 March 2025, the retained profits of our Company is approximately RM4.5 billion. We shall ensure that the maximum funds to be utilised for the Proposed Renewal of Share Buy-Back Authority shall not exceed the retained profits of our Company.

The actual number of Shares to be purchased, and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock market as well as our financial resources and retained profits.

## **2.2 Treatment of Purchased Shares**

In accordance with Section 127(4) of the Act, we would be able to deal with any Shares so purchased by us in the following manner:

- (a) cancel the Shares so purchased;
- (b) retain the Shares so purchased as treasury shares; or
- (c) a combination of (a) and (b) above.

The decision whether to retain the Purchased Shares as treasury shares or to cancel the Purchased Shares or a combination of both, will be made by our Board at the appropriate time subject to our compliance with the Prevailing Laws.

Pursuant to Section 127(7) of the Act, where such Shares are held as treasury shares, our Directors may, at their discretion:

- (a) distribute any or all of the Shares as dividends to our shareholders, such dividends to be known as 'shares dividends';
- (b) resell any or all of the Shares in accordance with the relevant rules of Bursa Malaysia;
- (c) transfer any or all of the Shares for the purposes of or under the ESS and any other employees' share scheme which we may establish in the future;
- (d) transfer any or all of the Shares as purchase consideration;
- (e) cancel any or all of the Shares; or
- (f) sell, transfer or otherwise use any or all of the Shares for such other purposes as the Minister may by order prescribe.

If such Purchased Shares are held as treasury shares, the rights attaching to them in relation to voting, dividends and participation in any other distribution or otherwise would be suspended and the treasury shares would not be taken into account in calculating the number or percentage of shares or a class of shares in our Company for any purposes including the determination of substantial shareholdings, take-overs, notices, the requisition of meetings, the quorum for meetings and the result of a vote on resolution(s) at meetings.

## **2.3 Purchase/Resale/Transfer Price**

Pursuant to the Listing Requirements, the purchase price of the Shares cannot be more than 15% above the 5 Market Day VWAP of Shares immediately prior to the date of any purchase(s).

In the case of a resale or transfer of Purchased Shares, the Purchased Shares may be resold or transferred on Bursa Malaysia at a price:

- (a) not less than the 5 Market Day VWAP of the Shares immediately prior to the resale or transfer; or
- (b) at a discount of not more than 5% to the 5 Market Day VWAP of the Shares immediately prior to the resale or transfer provided that:
  - (i) the resale or transfer takes place no earlier than 30 days from the date of purchase; and
  - (ii) the resale or transfer price is not less than the cost of purchase of Shares being resold or transferred.

## **2.4 Public shareholding spread**

Our Board undertakes that the Proposed Renewal of Share Buy-Back Authority will be implemented in accordance with the Prevailing Laws at the time of the purchase including compliance with the 25% public shareholding spread as required under paragraph 8.02(1) of the Listing Requirements or such other percentage as approved by Bursa Malaysia.

Based on the Record of Depositors of our Company as at LPD, our public shareholding spread was 88.04% of the total number of issued Shares (which exclude 13,318,700 Shares that have been purchased and retained as treasury shares as at LPD). Assuming that the Proposed Renewal of Share Buy-Back Authority is implemented in full and all the Shares so purchased (and assuming all Shares so purchased are from public shareholders in the market) are thereafter cancelled, the public shareholding spread of our Company is expected to reduce to 87.72%.

Our Company, in implementing the Proposed Renewal of Share Buy-Back Authority, will be mindful in ensuring that the minimum public shareholding spread of 25% is met and maintained.

## **2.5 Implications of the Code**

As at the LPD and based on our Register of Substantial Shareholders, the provisions on mandatory takeovers under the Code will not be triggered by any of our shareholders solely by reason of the Proposed Renewal of Share Buy-Back Authority being carried out in full.

## **3. RATIONALE**

The Proposed Renewal of Share Buy-Back Authority, if implemented, will enable us to utilise our surplus financial resources more efficiently to purchase our own Shares to be dealt with in the manner set out in Section 2.2 of this Statement.

Purchased Shares, whether to be held as treasury shares or subsequently cancelled, will effectively reduce the number of Shares carrying voting rights. Therefore, you may enjoy an increase in the value of your investment in us due to the increase in our EPS.

The Purchased Shares can be held as treasury shares to be transferred for the purpose of or under the ESS or any other employees' share scheme to be established by us or resold on Bursa Malaysia at a higher price with the intention of realising potential gain without affecting our total issued share capital. Should any treasury shares be distributed as share dividends, this would also serve to reward you.

Please refer to Section 4 below for the potential advantages and disadvantages of the Proposed Renewal of Share Buy-Back Authority.

## **4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

### **4.1 Potential advantages**

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) enable us to utilise our financial resources more efficiently especially where there is no immediate use and it may also strengthen the consolidated EPS of our Group;
- (b) provide us with opportunities for potential gains if the Purchased Shares which are retained as treasury shares are resold at prices that are higher than their cost of purchase;
- (c) stabilise the supply and demand of our Shares traded on Bursa Malaysia and reduce the volatility of the prices of our Shares. The stability of our Share price is important to maintain investors' confidence and may also assist in facilitating future fund raising exercises via the equity market; and
- (d) allow us to transfer the Shares held as treasury shares for the purpose of or under the ESS or any other employees' share scheme to be established by us without the necessity of appointing a trustee, thus, saving costs. It will also enhance our tax efficiency as the Purchased Shares qualifies us for certain tax deduction.

### **4.2 Potential disadvantages**

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (a) may temporarily reduce our immediate financial resources;
- (b) may result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposits in interest bearing instruments;
- (c) may reduce the amount of resources available for distribution to you in the form of cash dividends as funds are utilised to purchase our own Shares; and
- (d) our cash flow will be affected and gearing levels may increase should we decide to utilise bank borrowings to finance the Proposed Renewal of Share Buy-Back Authority.

Nevertheless, our Board is of the view that the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantage to you as it will be implemented only after in-depth consideration of the financial resources of our Company and the resultant impact to you. Our Board will be mindful of both our and your interests and will be prudent with respect to the above exercise.

## **5. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full, its effect on our share capital, earnings, NA, working capital, gearing and shareholding structure of our Directors and substantial shareholders are set out below:

### **5.1 Total Number of Issued Shares**

The effect of the Proposed Renewal of Share Buy-Back Authority on our issued share capital and the total number of issued shares will depend on whether the Purchased Shares are retained as treasury shares or cancelled.

If the Purchased Shares are retained as treasury shares, the Proposed Renewal of Share Buy-Back Authority will not affect our issued share capital but the rights attaching to them as to voting, dividends and participation in other distributions or otherwise, of our Company's assets including any distribution of assets upon winding up of our Company will be suspended. The treasury shares will not be taken into account in calculating the number or percentage of Shares, or of a class of shares in our Company for any purpose including substantial shareholdings, take-overs, notices, requisitioning of meetings, quorum for a meeting and result of a vote on a resolution at a meeting.

For illustration purposes, based on the total number of issued Shares as at the LPD, and assuming the maximum number of Shares (of up to 3% of the total number of issued Shares) under the Proposed Renewal of Share Buy-Back Authority is purchased and such Purchased Shares are cancelled, the effect of the Proposed Share Buy-Back on the total number of issued Shares of the Company will be as follows:

	<u>No. of Shares</u>	<u>%</u>
Total number of issued Shares as at LPD	3,314,184,844	100
Less:		
Maximum number of Shares that may be purchased and cancelled pursuant to the Proposed Share Buy-Back (inclusive of 13,318,700 Shares that have been purchased and retained as treasury shares) as at the LPD	(99,425,545)	3
<b>After the Proposed Share Buy-Back</b>	<u>3,214,759,299</u>	<u>97</u>

## 5.2 Earnings and EPS

The effects of the Proposed Renewal of Share Buy-Back Authority on the earnings and EPS of our Company will depend on, inter alia, the number of Purchased Shares, the purchase price of such Shares, the effective funding cost to our Company to finance the Purchased Shares or any loss in interest income to our Company and the proposed treatment of the Purchased Shares.

## 5.3 NA and NA per Share

Our consolidated NA may increase or decrease depending on the number of Shares purchased, the purchase prices of the Purchased Shares, the effective cost of funding and the treatment of the Purchased Shares. The Proposed Renewal of Share Buy-Back Authority will reduce the NA per Share when the purchase price exceeds the NA per Share at the time of purchase. On the contrary, the NA per Share will increase when the purchase price is less than the NA per Share at the time of purchase.

## 5.4 Gearing

Assuming that the treasury shares are being retained by our Company and no borrowing is being used to fund any purchase of the Purchased Shares, the Proposed Renewal of Share Buy-Back Authority may increase the gearing of our Group as the Purchased Shares will reduce the equity by the cost of Shares acquired and held as treasury shares.

The Proposed Renewal of Share Buy-Back Authority may further increase the gearing of our Company if borrowing is used to fund any purchase of the Purchased Shares. However, at this juncture, we have not determined whether to use any borrowing to purchase any Shares under the Proposed Renewal of Share Buy-Back Authority.

## 5.5 Substantial Shareholders' and Directors' shareholdings

### 5.5.1 Substantial Shareholders' shareholdings

For illustration purposes, the proforma effect of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of our substantial shareholders based on our Register of Substantial Shareholders as at the LPD is set out below:

	As at LPD				After the Proposed Renewal of Share Buy-Back Authority			
	Direct		Indirect		Direct		Indirect	
	No. of Shares	% <sup>(1)</sup>	No. of Shares	% <sup>(1)</sup>	No. of Shares	% <sup>(2)</sup>	No. of Shares	% <sup>(2)</sup>
EPF	411,692,961	12.47	-	-	411,692,961	12.81	-	-
Amcorp Group Berhad	391,069,003	11.85	-	-	391,069,003	12.16	-	-
Clear Goal Sdn Bhd	-	-	391,069,003 <sup>(3)</sup>	11.85	-	-	391,069,003 <sup>(3)</sup>	12.16
Tan Sri Azman Hashim	-	-	391,069,003 <sup>(3)</sup>	11.85	-	-	391,069,003 <sup>(3)</sup>	12.16

**Notes:**

- (1) Calculated based on 3,300,866,144 shares (which exclude 13,318,700 shares that have been purchased and retained as treasury shares as at LPD)
- (2) Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full, i.e. 3% of the total number of issued Shares so acquired from non-substantial shareholders, and the Purchased Shares are subsequently cancelled or held as treasury shares.
- (3) Deemed interested by virtue of Section 8(4) of the Act (shareholdings held through Amcorp Group Berhad).

### 5.5.2 Directors' shareholdings

None of the Directors hold any share in the Company as at the LPD.

## 5.6 Working Capital

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will reduce the working capital and cash flow of our Company, the quantum of which will depend on the purchase price of Shares and the number of Shares purchased.

For Purchased Shares which are so kept as treasury shares, upon their resale, the working capital and cash flow of our Company will increase upon receipt of the proceeds of the resale. The quantum of such increase will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

## 5.7 Dividend

The Proposed Renewal of Share Buy-Back Authority is not expected to have any impact on the dividend policy of our Company nor on our Board in recommending dividends to our shareholders. However, as stated in Section 2.2 above, our Board may distribute future dividends in the form of the treasury shares purchased pursuant to the Proposed Share Buy-Back.

## 6. SHARE PRICE

The monthly high and low share price of Shares as traded on Bursa Malaysia for the past 12 months from July 2024 to June 2025 are as follows:
