AmFunds Management Berhad won 2 awards at the AsianInvestor Asset Management Awards 2025

AmFunds Management Berhad was honoured with the Best Sustainable Investments – Nature-Based Solutions award and was highly commended for Market Awards Malaysia ("Awards") at the AsianInvestor Asset Management Awards 2025.

AmFunds Management Berhad (AFM) is part of AmBank Group's Integrated Wealth Management, which unites all the Group's wealth capabilities in products and solutions to serve the needs of both individual and corporate clients. With over 40 years of investing experience, we are a multiple award-winning fund manager based in Malaysia. We manage unit trust funds, wholesale funds, private mandates, exchange-traded funds (ETF) and private retirement scheme (PRS) funds, encompassing both conventional and Shariah-compliant funds for individuals, corporates and institutions as well as fund distribution services for distributors.

Commenting on the win, Mr. Kevin Wong, Chief Executive Officer, AmFunds Management Berhad, said, "We are deeply honoured by this recognition, which reinforces our commitment to excellence in the industry. This award is a testament to our dedication to delivering exceptional value in a sustainable manner to our clients, and we will continue striving for greater success."

AFM reflected a clear focus on breadth, scale, and long-term intent in sustainable investment particularly in nature-based solutions, climate-linked themes, and broader ESG integration across asset classes. The firm has steadily expanded its market share in Malaysia's SRI fund space, supported by a detailed framework for ESG assessment and an active approach to engagement with investee companies.

In addition, AFM earned a Highly Commended distinction for its steady performance, product breadth, and role in shaping Malaysia's ETF and sustainable investment markets. The firm continued to introduce new products, including conventional unit trust funds and the expansion of our SRI offering.

According to AsianInvestor, AFM is showing consistent growth and a clear drive to innovate. Its prospects appear strong, and it is well positioned to build further momentum in the years ahead.¹

The judging panel at the AsianInvestor Asset Management Awards 2025 comprised independent industry veterans and top executives from asset owners across the region who assessed all qualified entries and provided valuable insights and guidance in shortlisting the best candidates. The final entries were then assessed by the editorial team before the selection of the winners was made.
