

Activating your token

Token's display screen

This is how your token looks like. Steps shown in this guide shall be based on this token layout.

Token's button layout

Step #	As shown on Token's Display Screen	Description
Step 1		Press 'ON' for 2 seconds until 'SELECT' appears on screen.
Step 2		Press '1' to start the Challenge Response module. 'NEW PIN' will appear on screen.
Step 3		Enter your preferred 6-digit PIN and press 'OK'. If 'BAD PIN 1' appears on screen or 'NEW PIN' is not showing, your token might have been activated /changed PIN before, immediately contact AmBank's Contact Centre at 03-2178 3188.
Step 4		Re-enter your preferred 6-digit PIN and press 'OK' to activate the token. Your PIN has been successfully configured when 'PIN CONF' appears on screen.
Step 5	Press to switch off your token.
