

Unlocking Your Token

This is how your token looks like. Steps shown in this guide shall be based on this token layout.

Step #	As shown on Token's Display Screen	Description
Step 1	<p>The display shows 'BAD PIN' in large characters and the number '1' in the bottom right corner.</p>	If 'BAD PIN' appears on screen, you have entered an incorrect PIN. You may try up to 5 times before the token is locked.
Step 2	<p>The display shows 'LOCK' and 'PIN' at the top, with the number '1270936' below.</p>	If your token is locked, immediately contact AmBank's Contact Centre at 03-2178 3188.
