AmBank Group announces revision of Base Lending, Base Financing and Deposit Rates

AmBank Group wishes to announce changes to its Base Lending Rate (BLR), Base Financing Rate (BFR) and Deposit rates effective 13 July 2010. These revisions have been made following Bank Negara Malaysia's increase in the Overnight Policy Rate (OPR) by 25 bps to 2.75% last week.

The Base Lending Rate (BLR) for AmBank (M) Berhad ("AmBank") will increase by 25 basis points (bps) from 6.05% per annum to 6.30% per annum.

The Base Financing Rate (BFR) for AmIslamic Bank Berhad will increase by 25 bps from 6.05% per annum to 6.30% per annum.

The interest rates paid to customers will increase by the full 25 basis-points in the popular one month to five month fixed deposit tenures. Interest rates for other tenures have also been increased to attract and retain deposits.

AmBank will continue to monitor the interest rate environment and ensure that its fixed deposit customers continue to benefit from some of the most competitive rates in the market.

A list of rates for all fixed deposit tenures can be found on the AmBank Group website at
