AmBank Group Celebrates Family Day for Staff from Sabah

AmBank Group today organised the Region 7 Family Day gathering at the Nexus Karambunai Resort, Kota Kinabalu in Sabah in recognition of the contribution of its staff towards the growth of the Group. The Family Day saw a total of 980 Region 7 AmBank Group staff and family members in attendance.

The last Family Day in Sabah was held in 2007 at Shangri-La Rasa Ria, Tuaran. The presence of AmBank Group Chairman Tan Sri Azman Hashim and wife YM Tunku Arishah Tunku Maamor, and senior management from the Group's Head Office in Kuala Lumpur made the Family Day gathering all the more eventful.

In his speech, Tan Sri Azman said the Region 7 AmBank Group Family Day affords an opportunity for all to mingle outside the office environment whilst getting to know one another and spending time with their family members.

The main activities for the Family Day included among others, performances by AmBank Group staff, a Children's Colouring Contest, four Telematches, Sand Castle, Beach Volleyball and a Family Tug-of-War, mock-cheque presentation to charity homes and various fun-filled activities for staff and their children.

Tan Sri Azman Hashim also presented 56 long serving staff from AmBank Group with certificates of appreciation in accordance with the Group's annual tradition of recognising staff members whom have served 15 to 25 years with the Group.
