We are truly honoured to be recognised for our fund management expertise against this backdrop and would like to thank our clients for staying invested with us as we navigate an unprecedented investment landscape."

The awards conferred by Alpha Southeast Asia acknowledge AmInvest as a leading multi-asset fund management company that provides among others, solid and transparent investment processes, secured risk management, proper investment accounting systems, quality investment research, advanced portfolio management and diversification, above par risk-adjusted returns, and overall long-term outstanding fund performance.
