1. What is this product about?

Foreign Currency Complementary Term Financing-i (FCY CTF-i) is a Shariah-compliant contingent facility to pay the claims made on trade facilities such as Bank Guarantee-i ("BG-i"), Shipping Guarantee-i ("SG-i") and Standby Letter of Credit (SBLC-i) in foreign currency. If the guarantee crystallises, then FCY CTF-i behaves like a normal Term Financing-i.

2. What are the Shariah concepts applicable?

FCY CTF-i is structured based on *Tawarruq* concept with embedded Shariah contracts of *Wakalah*, *Murabahah* and *Wa'd*

Tawarruq (Tripartite sale) is an arrangement on purchasing and selling of commodity. It consists of two sale and purchase contracts. The first involves the sale of commodity by a seller to a purchaser on a deferred basis. Subsequently, the purchaser of the first sale will sell the same commodity to a third party on a cash and spot basis.

Wakalah (Agency) means a contract in which a party, as principal (*muwakkil*) authorises another party as his agent (*wakil*) to perform a particular task on matters that may be delegated with or without imposition of fee.

Murabahah (Cost plus profit) means a sale and purchase of an asset where the acquisition cost and the mark-up are disclosed to the purchaser.

Wa'd (Undertaking/Promise) is a promise or undertaking, refers to an expression of commitment given by the Customer to the Bank to perform certain action(s) in the future.

The *Tawarruq* arrangement shall be arranged as follows:

- i. You appoint the Bank as your agent to purchase commodity from the Bank and to sell the commodity to any third party.
- ii. Pursuant to your purchase request and undertaking, the Bank will purchase commodity from any third party at cost.
- iii. The Bank sells the commodity to you at the Asset Sale Price on deferred payment basis. You are entitled to request and take physical delivery of the commodity at your own cost and expenses.
- iv. The Bank sells your commodity on your behalf to any third party for a price equal to the financing amount.
- v. The proceed of the sale shall be disbursed to you as per the agreed terms and conditions.

Type of commodity used: Shariah-compliant commodity traded in a platform approved by the Bank.
