Dear Sirs

**ABF Malaysia Bond Index Fund
Taxation of the Fund and Unit Holders**

1. This letter has been prepared for inclusion in the Second Supplementary Prospectus dated 1st April 2015 in connection with the offer of units in ABF Malaysia Bond Index Fund (hereinafter referred to as “the Fund”).

The following is general information based on Malaysian tax law in force at the time of lodging the Second Supplementary Prospectus with the Securities Commission Malaysia and investors should be aware that the tax law may be changed at any time. To an extent, the application of tax law depends upon an investor’s individual circumstances. The information provided below does not constitute tax advice. The Manager therefore recommends that an investor consult his accountant or tax adviser on questions about his individual tax position.

This Second Supplementary Prospectus is dated 1 April 2015 and must be read together with the Prospectus and the Supplementary Prospectus.

2. Taxation of the Fund

2.1 Income Tax

As the Fund's Trustee is resident in Malaysia, the Fund is regarded as resident in Malaysia. The taxation of the Fund is governed principally by Sections 61 and 63B of the Malaysian Income Tax Act, 1967 ("MITA").

Pursuant to the Section 2(7) of MITA, any reference to interest shall apply, mutatis mutandis, to gains or profits received and expenses incurred, in lieu of interest, in transaction conducted in accordance with the principles of Shariah. The effect of this is that any gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Shariah, will be accorded the same tax treatment as if they were interest.

The income of the Fund in respect of dividends, interest or profits from deposits and other investment income (other than income which is exempt from tax) derived from or accruing in Malaysia is liable to Malaysian income tax ("income tax" or "tax"). The Fund may be receiving income such as exit fee which will be subject to tax at the prevailing tax rate applicable on the Fund. Gains on disposal of investments by the Fund will not be subject to income tax.

The income tax rate applicable to the Fund is 25%. It has been gazetted in the Finance (No.2) Act 2014 on 30th December 2014 that with effect from year of assessment 2016, the income tax rate applicable to the Fund would be reduced to 24%.

Tax exempt interest as listed in the Appendix attached received by the Fund are not subject to income tax.

With effect from 1st January 2014, Malaysia has fully moved to a single-tier income tax system. The Fund is not liable to tax on any Malaysian sourced dividends paid, credited or distributed to the Fund under the single tier tax system, where the company paying such dividend is not entitled to deduct tax under the MITA. The tax deductibility of expenses incurred by the Fund against such dividend income will be disregarded.

The Fund may receive Malaysian dividends which are tax exempt from investments in companies which had previously enjoyed or are currently enjoying the various tax incentives provided under the law. The Fund is not subject to income tax on such tax exempt dividend income.

This Second Supplementary Prospectus is dated 1 April 2015 and must be read together with the Prospectus and the Supplementary Prospectus.

The Fund may also receive dividends, profits and other income from investments outside Malaysia. Income derived from sources outside Malaysia and received in Malaysia by a resident unit trust is exempted from Malaysian income tax. However, such income may be subject to foreign tax in the country from which the income is derived.

Discount or profit received from the sale of bonds or securities issued by Pengurusan Danaharta Nasional Berhad or Danaharta Urus Sendirian Berhad within and outside Malaysia is exempted from the payment of income tax pursuant to Income Tax Exemption (No. 6) Order 2003.

Income received by the Fund from Sukuk Ijarah, other than convertible loan stock, issued in any currency by 1Malaysia Sukuk Global Berhad and Sukuk Issue which has been issued by the Malaysia Global Sukuk Inc is exempted from the payment of income tax.

Income derived from Sukuk Kijang is exempted from the payment of income tax pursuant to Income Tax (Exemption) Order 2013. For the purpose of this order, "Sukuk Kijang" means the Islamic Securities of nominal value of up to two hundred and fifty million United States dollars (USD\$250,000,000) issued or to be issued in accordance with the Shariah principle of Ijarah by BNM Kijang Berhad.

The tax treatment of hedging instruments would depend on the particular hedging instruments entered into. Generally, any gain or loss relating to the principal portion will be treated as capital gain or loss. Gains or losses relating to the income portion would normally be treated as revenue gains or losses. The gain or loss on revaluation will only be taxed or claimed upon realisation. Any gain or loss on foreign exchange is treated as capital gain or loss if it arises from the revaluation of the principal portion of the investment.

Generally, income from distribution from Malaysia Real Estate Investment Trusts will be received net of withholding tax of 10%. No further tax will be payable by the Fund on the distribution. Distribution from such income by the Fund will also not be subject to further tax in the hands of the Unit Holders.

Expenses being manager's remuneration, maintenance of register of Unit Holders, share registration expenses, secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postage, which are not allowed under the general deduction rules, qualify for a special deduction, subject to a minimum of 10% and a maximum of 25% of such expenses pursuant to Section 63B of the MITA.

This Second Supplementary Prospectus is dated 1 April 2015 and must be read together with the Prospectus and the Supplementary Prospectus.

2.2 Gains on Disposal of Investments

Gains on disposal of investments by the Fund will not be subject to income tax but where the investments represent shares in real property companies, such gains may be subject to Real Property Gains Tax ("RPGT") under the RPGT Act, 1976. A real property company is a controlled company which owns or acquires real properties or shares in real property companies with a market value of not less than 75% of its total tangible assets. A controlled company is a company which does not have more than 50 members and is controlled by not more than 5 persons.

2.3 Goods and Service Tax ("GST")

GST will commence from 1st April 2015 and will replace the current sales and service tax regime. GST will apply at 6% on most goods and services with some exceptions.

If it is determined that Fund is required to register for GST, any fees it charges to unitholders will be subject to GST at 6%.

The issuance of units by the Fund to investors will be exempt from GST. To the extent that the Fund invests in any financial services products (e.g. securities, derivatives, units in a fund or unit trust), the acquisition of these interests will be exempted from GST. To the extent that fees are charged to the Fund in relation to these products, these fees would be subject to 6% GST.

The GST paid on acquisitions made by the Fund (e.g. fund manager fees, trustee fees etc.) would either unrecoverable in whole or in part and would be subject to further analysis to determine the extent that GST can be recovered.

3. Taxation of Unit Holders

3.1 Taxable Distribution

Unit Holders will be taxed on an amount equivalent to their share of the total taxable income of the Fund to the extent such income is distributed to them. Unit Holders are also liable to pay income tax on the taxable income distributions paid by the Fund. Taxable distributions carry a tax credit in respect of the tax chargeable on that part of the Fund. Unit Holders will be subject to tax on an amount equal to the net taxable distribution plus attributable underlying tax paid by the Fund.

Income distributed to Unit Holders is generally taxable as follows in Malaysia :-
